WELCOME TO *Warren Hill*

Warren Hill is an ideal venue to hold your wedding, with beautiful gardens, natural photo opportunities, a modern ceremony room, free on-site parking and dedicated and friendly staff. The new wedding venue located in Kettering, in the heart of Northamptonshire, and managed by Kettering Borough Council.

Warren Hill was originally the site of a quarry, before a Crematorium was built in the 1930s, and expanded in 1976 and 2013. The excellent on-site facilities were further improved in 2018 when a wedding licence was granted and a brand new outside garden area and pavilion were created.
